Dear David,

I am writing to express my desire to join the Conservative Group on Rushmoor Borough Council.

I am a man of good faith, integrity and honesty, a person who loves serving our local community and someone determined to make a positive difference.

It has become apparent to me over the years of serving alongside you and your group that The Conservative Party are the only group in Rushmoor who share and respect these values.

I have been hugely impressed by the great progress and achievements I have seen Conservative led Rushmoor making in regenerating our town centres, improving local services, supporting local businesses and in making our area a greener and more pleasant place to live.

I wish nothing more than to put all of my abilities into the positive service of our residents and to work constructively towards making their lives better. I look forward to finally joining a party which shares this commitment and will support me in doing so.

Whilst others may see value in talking the area down - I believe in positive action not negative words. It has been a pleasure to have served St Mark's since 2018 and would be proud to serve from now on as a Conservative.

Yours sincerely,

Abul
